SUBJECT - Grant of a site for the Construction of a building for locating the Koramara Settara Hostel

3029/L

With reference to your letter No L 11812 dated 16-12-47 forwarding for report a copy of the letter dated 30-11-47 received from the President, The Koramara Settara Hostel Building Committee, Bangalore City, addressed to the Minister for City Municipalities in regard to the grant of a site for the construction of a Hostel building in a central place, preferably in the Kalasipalyam area, I have the honour to state that on a similar representation received in this office in December 1946, an endorsement was issued to the President to the effect that the representation would be considered by the Board after the formation of the contemplated extensions by the Trust Board

As regards their prayer for the grant of a site in Kalasipalyam, it has to be stated that the Board is not at present in possession of sites in that area It has however been resolved by the Board that the sites in this area when made available by the City Municipality, should be reserved for the people to be dehoused as a result of acquisitions to form the B V Krishna Iyengar Road Scheme Govern have also passed orders accordingly

The sites in Kumara Park West Extension are all earmarked for the dehoused persons of Vasanthanagar and Dobspet

In these circumstances, the question of grant of a site to the Hostel building will be considered
